TEAM INFORMATION

December 28th 2017

Your host village Oberried is located near Freiburg in the southwest of Germany. The area is called Breisgau-Hochschwarzwald and is part of the federal state Baden-Württemberg.

The distance from Oberried to the venue at Nordic-Center Notschrei is around 12 km, which means a ride of 15-20 minutes depending on weather conditions.

Arriving at Notschrei pass You still have to go 1 km on a dirt road before arriving at the Nordic-Center. Please be aware that this last part is accessible only by vans up to 3,5 tons. It is not possible to use the dirt road with a bus! If You need to rent a van [Schwarzwald-live](#) will support You.

Wax-cabins

Actually 324 guests registered, including 166 athletes. This is a lot more people than in worldcups so far and more than we expected or planned for. Due to this number of participants and the limited space at Nordic-Center Notschrei, we can not meet the requests for additional wax cabins. We are forced to allocate wax cabins according to the size of the teams.

Competition schedule

The actual competition schedule is to find in the attachment "171228 – timetable".
