## Wax cabins

There are a total of 25 wax-cabins. The distribution of cabins is based on the size of the teams. Teams with a small number of starters will have to share cabins. With the handover of the key to cabin a deposit of 50,- Euro (cash) has to be paid. The deposit will be refunded on the last competition-day of the team in question after returning the key.

## Race-Office

There is a race-office next to the catering tent at the Nordic-Center Notschrei. At this race-office are boxes for each team, where we will frequently deposit information. Mostly information will be given to the teams by e-mail.

## Access of venue by car

Straight at the stadium of Nordic-Center there is limited space for catering tent, wax-cabins and parking lots. Each team will get a limited number of transit permissions for their cars. Please be aware of the speed limit on the road. Busses (over 3,5 tons) are not allowed to use this area.

Only cars with this transit permission are allowed to go directly to the stadium. Other cars have to park at the general parking area of Notschreilope. There is a shuttle service from this parking-area to the stadium.
